MEMORANDUM

July 31, 2015

TO: VIAHA Membership
FROM: Al McCulloch, VIAHA President
COPY: VIAHA Officers and Staff
SUBJECT: Participation in Non-Sanctioned Leagues by Recreational Players

There appears to have been some confusion since Galen Brewer released his memorandum on July 30, 2015 regarding participation in non-sanctioned leagues. Some have said that the memo indicated the policy related to Island League players only. This is incorrect.

Both the VIAHA and the BC Hockey policies on Non-Sanctioned Leagues state the policies apply to all players and team officials in all levels of hockey. Full text of the policies can be found in the VIAHA Policy Manual, Section 2.05 and in the BC Hockey Policy Manual Section C.08.

We trust this will clarify the policy. If you have any further questions, you can contact me or one of the VIAHA Staff.

Yours sincerely,

Glenn Cook
VIAHA Vice President Mid-Island League
